

## GT1670-SB3

External Enclosure for 2.5" or 3.5" SATA HDD/SSD with USB 3.0, eSATA

### Key features

- Premium Aluminium Case
- For 2.5" or 3.5" SATA HDD/SSD
- With power switch for easy energy saving
- Low noise, fanless design
- Plug & Play and Hot Swap
- USB 3.0 and eSATA
- Supported operation systems: Windows, Linux und Mac
- Removable tray design facilitates data management
- Aluminum case provides excellent heat dissipation.
- Hot swappable tray with key lock

### The External HDD Enclosure for PC, Mac and Linux

An external enclosure with a single HDD is nice to be taken to friends or clients. The GT1670-SB3 is the newest contender in this section. It has USB 3.0 and eSATA to connect it to a wide range of devices.

With the SATA III 6 Gbit/s and UASP support the GT1670-SB3 is the ideal device for multi-media data as there are usually large files and they have to be transferred fast and cool. And it is so cool, it doesn't need a fan. As it dissipates the process heat to the outside employing the metal case which is built like a heat exchanger.

#### Technical data

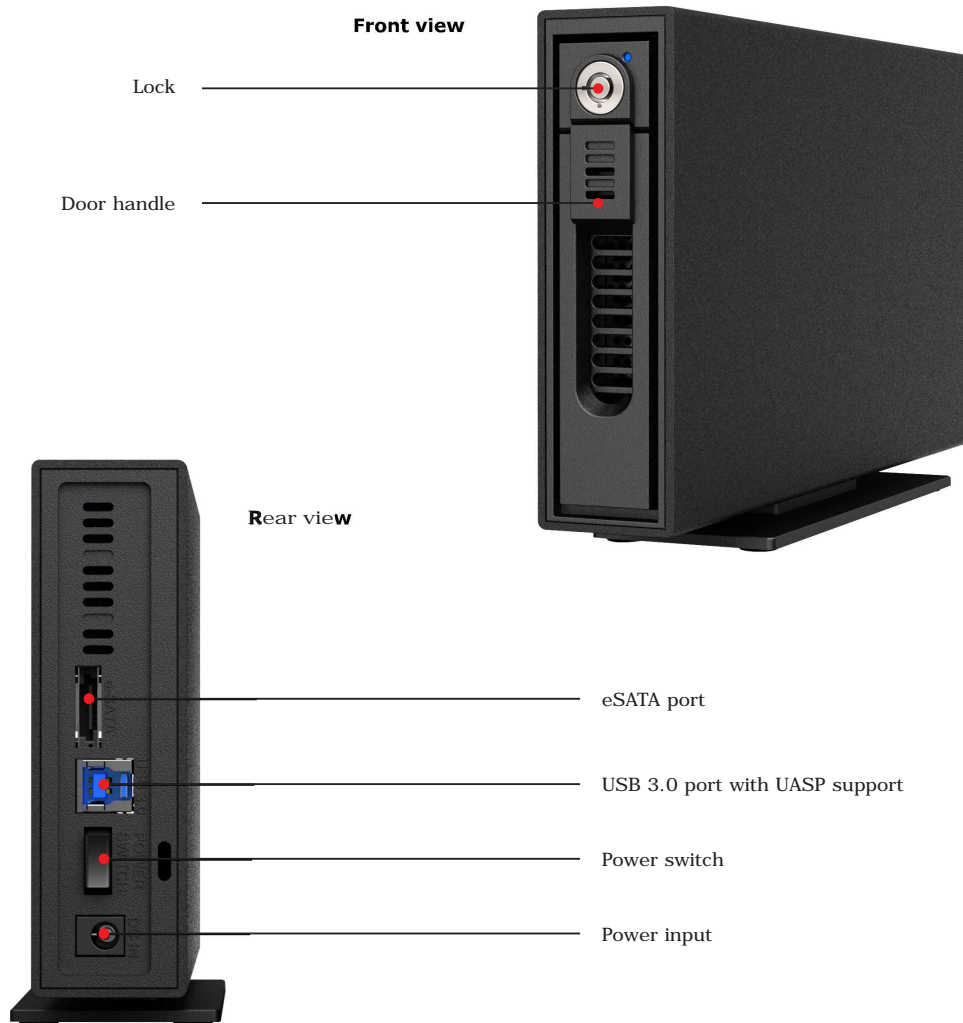

|                         |  |
|-------------------------|--|
| Model                   | GT1670-SB3   |
| Article No.             | 12194  |
| EAN code                | 4711132862270  |
| Brand                   | RAIDON   |
| Colour                  | Black  |
