RAIDON iT2771-S3 Mobile rack for 2x 2.5" SATA HDD/SSD

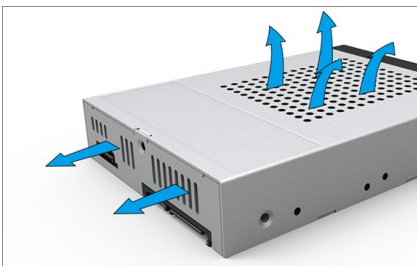

Saving and safe

Working energy efficient is not different to this mobile rack. It supplies both SATA drives with one 15 Pin SATA power connector. Also both HDDs/SSDs are connected separately for extra reliability.

A growing family

The iT2771-S3 fits perfectly in the RAIDON product family, the carriers are interchangeable with other RAIDON carriers.

Cooling

With the usage of prime aluminium the SATA drives are protected and also cooled. The cooling is passive via heat transmission to the surrounding air.
