NM-HUB2LIFTSILVER MOTORISED FLOOR STAND

The NewStar NM-HUB2LIFTSILVER motorised height adjustable floor stand is specifically designed to make your Microsoft Surface Hub 2S(X) screen as versatile as it was designed for. With the attached handles the cart can easily be moved on and through different work spaces.

The NM-HUB2LIFTSILVER can be automatically lifted in height by the push of a button. The stand can be lowered for collaboration and videoconferencing purposes, or raised for huddle meetings. The mount has a stepless electronic height adjustment of 50 cm by (wired) remote control.

The mount is fitted with a, for the Microsoft Surface Hub 2S(X), custom designed head that has a tilt of 0 degrees, or 15 degrees, optimized for anti glare and multiple viewing angles. Preparation has been made for a battery pack, that can be closed with a lid. The trolley is suitable for screens with a VESA hole pattern of 350x350 mm. The NM-HUB2LIFTSILVER from the NeoMounts lineup has a variable height adjustment from floor-to-center-screen of 125 cm to 175 cm.

With the NM-HUB2LIFTSILVER you have the most options to complement the Microsoft Surface Hub 2S(X) screen.
