Wireless Bluetooth headphones with microphone - cut the cord

The Manhattan Sound Science Bluetooth[®] Over-Ear Headset's soft over-ear cushions let you enjoy music, movies and more in extreme comfort, even during long hours of extended wear. Plus, it features an integrated, high-performance microphone for making calls on your mobile device or chatting online.

Boasting the latest in wireless audio multipoint technology — Bluetooth 5.0 — these headphones let you stream audio from virtually any mobile device or laptop computer from up to 10 meters away, and convenient on-ear controls let you change the music volume, switch tracks or receive calls with a simple touch. If you prefer wired use without ever worrying about an empty battery, use the 3.5 mm stereo audio port.
