USB 3.2 Gen 1 Type-A + Type-C®

ICY BOX **IB-HUB1424-C3** 4-Port USB 3.2 Gen 1 Hub

Fast and efficient

Experience lightning-fast data transfers thanks to USB 3.2 Gen 1 via your choice of USB Type-C® or Type-A port. Transfer files at up to 5 Gbit/s and connect peripherals with ease. This hub allows you to multi-task without compromise.

Space-saving and portable

The compact, black plastic hub fits perfectly into any setup. Its handy size makes it the ideal companion when you're on the go. Whether you're in the office, at home or travelling, you'll love the flexibility and functionality of this hub.

Open up the world of connectivity

With the built-in combo cable, a USB Type-C® and USB Type-A plug are always with you. This opens up broad compatibility with old and new notebooks or tablets. The cable is 62 cm long and is therefore also well suited for connecting to a desktop PC under the table.
