

**FEBRUARY 2024**

## **Offer Evolution Pre-Announcement!**

**Offer Name:** Smart-UPS Ultra 5kW Hardwire UPS Pacific

**Offer Description:** **The industry's smallest and lightest 5kW UPS**

Smart-UPS Ultra 5kW models are now available with an out-of-the box Hardwired option! Simplify your distributed IT setup with connecting to your existing PDU setup. Smart-UPS Ultra is 30% smaller with up to 1.5x power density. Our smallest, most advanced UPS ever gives you the flexibility to install anywhere and save on TCO without compromising your power protection needs.
